What is Cornerstone?

Cornerstone is a parish gathering run by the men of St. Anastasia's. It is a renewal process which calls us together to grow personally in the knowledge and love of God.

The team members are made up of parishioners who have experienced Cornerstone in the past. Each member will share his abilities in various roles. Some will give talks on selected themes or lead small discussion groups. Some team members will arrange for accommodations and meals, prepare seating and table arrangements, or plan publicity. Each person on the team has a specific role, but there is only one goal in Cornerstone and that is to grow personally in the knowledge and love of God and help others to come to know and love him.

What are Cornerstone talks?

The speakers, all members of our parish, will share their own personal experiences of God's love and activity in their lives. It is much easier to share the joyous moments in our lives than the sorrowful ones, but you will hear both. It is through witnessing how God is with us in good times and bad that we grow in our knowledge of His abounding love for us.

What can I expect Cornerstone to be like?

The gathering will begin on Friday evening at 7:00 PM and will end on Saturday with a liturgy at 7:30 PM. Cornerstone will take place at St. Anastasia Church. Comfortable sleeping accommodations along with delicious meals and snacks will be provided by team members. During the weekend, there will be time for reflection, sharing life's experiences with each other, and small discussion groups.

On Friday evening, the sacrament of Reconciliation will be made available. After dinner on Saturday night, there will be a celebration of the Eucharist for all Cornerstone participants.

What do I have to do?

All you have to do is show sign up and show up. The Cornerstone team has been planning to make this Cornerstone a pleasant and blessed experience for you.
